THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

The polls will open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Richmond, in the County of Cheshire in said state, qualified to vote in Town Affairs;

You are hearby notified to meet at the Veterans Memorial Hall in said Richmond on Tuesday the 12th of March, next at 11:00 A.M. of the clock in the morning to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To vote by ballot to accept the 1996 revisions to the Richmond Zoning Ordinance as proposed by the Richmond Planning Board in accordance with the statutes of the State of New Hampshire.

RICHMOND PLANNING BOARD PROPOSED ZONING AMENDMENTS

1. Amend ARTICLE 1 PURPOSE AND TITLE to read as follows:
101 The purpose of this ordinance, hereby adopted by the Town of Richmond, NH, is to promote the health, safety, and welfare of the inhabitants pursuant to the authority conferred by RSA 674:170. It is designed to:
 - a) *Lessen congestion in the streets.*
 - b) *Secure safety from fires, panic and other dangers.*
 - c) *Promote health and general welfare.*
 - d) *Provide adequate light and air.*
 - e) *Prevent overcrowding of land.*
 - f) *Avoid undue concentration of population.*
 - g) *Facilitate the adequate provision of transportation, solid waste facilities, water, sewage, schools, parks, and child day care.*
 - h) *Assure proper use of natural resources and other public requirements.*

No Current 101.1

101.1 This ordinance has been made with consideration of the character of the Town of Richmond and its suitability for particular uses as well as conserving the value of buildings and encouraging the most appropriate use of land throughout the town.

2. Amend ARTICLE 2 ESTABLISHMENT OF DISTRICTS 201.1 B. LAKESIDE DISTRICT (ARTICLE 5) to read as follows:
202.1 B. All the area within five hundred twenty five (525) feet, as measured by horizontal distance, from the reference line of Cass Pond and Sandy Pond or any other natural or artificially impounded water body that exceeds ten acres in area.
3. Amend ARTICLE 3 GENERAL PROVISIONS to read as follows:
303 No junkyard or place for the storage of discarded machinery, vehicles, scrap material, or other junk, including major and/or minor appliances, shall be maintained in any district.
309 No structure shall exceed two and one-half (2 ½) stories in height or thirty-five (35) feet. The height of a building shall be measured from the highest point of the roof line to the average elevation of the finished grade of the ground half-way between the front and back of the building and within twenty (20) feet of the foundation. The height limitation shall not apply to chimneys or antennas attached to residential dwellings. Unattached antennas or chimneys are not permitted unless they service a residential dwelling.
4. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:
401.6 Manufacturing and Commercial use may be permitted, by Special Exception, subject to the conditions of section 1001 of this ordinance.
402.1 Single family dwellings shall have a minimum lot frontage of two hundred fifty (250) feet on a public road (Class I-V), or on an approved subdivision road. Each lot shall have an area within the lot capable of containing a square a minimum of two hundred and fifty (250) feet per side. These requirements do not apply to lots of record as of March 13, 1990
5. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows
404 Cluster development, two family dwellings and multi family dwellings.
404.1 Cluster developments, two family dwellings and multi family dwellings are permitted providing the minimum lot area for each dwelling unit shall be three (3) acres for each dwelling unit in single family cluster developments, six (6) acres for two family dwellings and three (3) acres for each dwelling unit in multi family or cluster development dwellings. The site or lot for two dwelling unit cluster developments and for two family dwellings shall have a minimum frontage of two hundred fifty (250) feet on a public road (class I-V) or an approved subdivision road. The site or lot for multi family units and cluster developments of more than two dwelling units shall have a minimum frontage of one hundred and twenty-five (125) feet per dwelling unit on a public road (class I-V) or an approved subdivision road. Each lot or site shall have an area within the lot or site capable of containing a square a minimum equal to the frontage requirement

per side. The requirements of 402.1 and 402.2, above, shall apply as a minimum.

404.2 Site plan review, by the Richmond Planning Board, is required prior to issuance of a building permit for multi family dwellings or cluster developments of more than two dwelling units. The plan shall conform to requirements for (1) fitting existing and man-made environments (2) appropriate buffers (3) screening to reduce visual pollution and (4) parking, loading, and pedestrian safety.

No Article 405

- 6. Amend ARTICLE 4 RESIDENTIAL DISTRICT to read as follows:*

405 Conversion to Apartments: Conversion of single family structures to apartments must conform to the following:

405.1 The exterior architectural appearance and/or size of the structure shall not be substantially altered.

405.2 The minimum lot area for a two (2) family apartment/duplex buildings shall be six (6) acres and for multifamily dwellings three (3) acres for each dwelling unit.

405.3 The lot on which the building is sited shall conform to the frontage area and yard requirements as stated in paragraph 402 and 404 of this ordinance.

405.4 Sub surface sewage disposal systems for the new dwellings configuration shall be in accordance with standards set and enforced by the NH State Department of Health and the NH Water Supply and Pollution Control Division. Such approval shall be required before issuance of a building permit.

405.5 - Site Plan review, by the Richmond Planning Board, is required prior to issuance of a building permit for conversion to multi family dwellings of more than two (2) dwelling units whether or not such conversion includes a subdivision or resubdivision of the site.

- 7. Amend ARTICLE 5 LAKESIDE DISTRICT to read as follows:*

502.2 Yard Requirements - No building shall be located nearer than twenty-five (25) feet to an abutter's property line and eighty-three(83) feet from the center of the public road and one hundred(100) feet from the . reference line.

No Current 504

504 All dwellings, accessory buildings and underground sewage disposal systems shall conform to RSA483B.

No Current 505

505 Where already existing a natural woodlands buffer shall be maintained within one hundred and fifty (150) feet of the shoreline subject to standards required in RSA483B.

- 8. Amend ARTICLE 6 WETLAND CONSERVATION DISTRICT to read as follows:*

604.1 Streets, Roads, and other access ways and utility rights of way easements, including power lines and pipe lines if essential to the productive use of land not so zoned and if so located and constructed as to minimize any detrimental impact of such uses upon the wetlands. Proper evidence of this effect

shall be submitted to the Board of Adjustment and shall be accompanied by the findings of a review by the Richmond Conservation Commission of the environmental effects of such proposed use upon the wetlands in question.

604.2 The undertaking of a use not otherwise permitted in the Wetland Conservation District which may include the erection of a structure, dredging, filling, draining, or otherwise altering the surface configuration of the land, if it can be shown that such proposed use will not conflict with the purpose and intention of Section 602, and if such proposed use is otherwise permitted by the zoning ordinance. Proper evidence to this effect shall be submitted in writing to the Board of Adjustment and shall be accompanied by the findings of a review by the Richmond Conservation Commission of the environmental effects of such proposed use upon the wetlands in question.

9. Amend ARTICLE 9 ENFORCEMENT AND ADMINISTRATION

903 A building permit shall be required prior to the erection, addition, alteration, relocation or conversion to apartments of any building or structure or portion thereof. *Building permits are not required for detached structures with a floor area equal or less than one hundred (100) square feet.* It shall be unlawful for any person to commence work for the erection, addition, alteration or relocation or conversion to apartments of any building or structure until a permit has been approved and issued by the Selectmen. No building permit shall be required for normal maintenance activities, minor repairs and minor alterations that do not structurally alter or change a building or structure. No building permit shall be issued for a lot with a private septic system until an approved septic system permit has been obtained from the NH Water Supply and Pollution Control Division.

904 Occupancy Permit - An approved occupancy permit shall be required before any new dwelling/building/structure or existing dwelling/building/structure that has been structurally altered can be occupied. The occupancy permit shall be applied for by the owner or his agent when the construction for which a building permit was issued has been completed. The occupancy permit shall be issued within ten (10) days after the erection or alteration of the dwellings/building/structure, or portion thereof, has been completed *and after an inspection by a member of the Richmond Fire Department* designated by the Board of Selectman showing that it is in conformance with accepted fire safety standards.

10. Amend ARTICLE 10 BOARD OF ADJUSTMENT

1001 Within thirty (30) days after adoption of this ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members which shall have all powers, authorities, and duties granted to a Board of Adjustment by current applicable R.S.A.s. The members shall serve without compensation. The Board shall make its own reasonable rules and regulations. *The board may, in appropriate cases and subject to appropriate*

conditions and safeguards (1) make special exceptions where provided for in this ordinance (2) approve variances to the terms of this ordinance in harmony with its general purpose and intent or (3) hear appeals of alleged error in enforcement of this ordinance. The Board shall notify all abutters and any known parties of interest of any requested special exception, or variance, and shall hold a public hearing prior to rendering its decision.

1001.1 Special Exceptions - The Richmond Board of Adjustment may, in appropriate cases and subject to appropriate conditions and safeguards, make special exceptions to the terms of this Ordinance to permit manufacturing or commercial use in the residential district. All exceptions shall be made in harmony with the general purpose and intent of this ordinance and shall be in accordance with the general or specific rules contained in the ordinance. All requirements for lot size, frontage, setbacks and others as stated in this ordinance for residential dwellings shall apply as a minimum to special exceptions. The board, in acting on an application, shall take into consideration the following criteria:

a) The proposed site is in an appropriate location for use. Among the factors the Board of Adjustment will consider are: topography, soils, water resources, road access and locations of driveways, condition of existing structures and other relevant characteristics such as whether the proposed use is compatible with the surrounding land uses.

b) The proposed use will not adversely affect the value of adjacent property. An adverse effect on adjacent property is one which would limit the use of neighborhood property by causing such problems as excessive noise, traffic, dust, fumes, glare or other conditions that are associated with the intended use but are not typical of permitted uses within the area.

c) No hazardous waste shall be disposed of on the property, and provision for the disposition of all waste shall be made without jeopardy, financial or otherwise, to the Town of Richmond.

d) Traffic generated by the proposed use must not present a hazard to the neighborhood for either vehicles or pedestrians.

e) In all cases where a proposed project requiring Site Plan Review is located next to an existing residential use, buffering shall be provided within the setback areas, of a type and amount deemed appropriate by the Richmond Planning Board during Site Plan Review.

f) The Board of Adjustment will request a recommendation from the Richmond Planning Board and the Richmond Conservation Commission concerning the proposed use.

No Current 1001.3

1001.3 Variance - The board may authorize upon appeal in specific cases such variance from the terms of this zoning ordinance as will not be contrary to the public interest if owing to special conditions, a literal enforcement of the provisions of this zoning ordinance will result in unnecessary

hardship. The Board shall grant a variance providing the following conditions are satisfied:

1. Denial of variance will result in unnecessary hardship of applicant.
2. No diminution in value of surrounding properties will occur.
3. The proposed use will not be contrary to the spirit of this ordinance.
4. The granting of variance will benefit public interest.
5. The granting of variance will do substantial justice.

No Current 1001.4

1001.4 Appeals - The board may hear and decide appeals in accordance with RSA 674.33.

No Current 1001.5

1001.5 Site Plan review, by the Richmond Planning Board, is required prior to issuance of a building permit for non residential use.

11. Amend ARTICLE 15 DEFINITIONS to read as follows:

1529 Boat House - Structures designed for the storage of boats only, containing no plumbing, sanitary facilities or provision for human habitation.

1530 Reference Line - For natural water bodies, the natural mean high water level as determined by the Division of Water Resources Department. For artificially impounded water, the waterline at full pond as determined by the elevation of the top of the impoundment structure.

1531 Alteration to a building - change to an existing building where structural elements are altered in design or function. Such elements to include foundation, load bearing walls and partitions, beams, joists, posts, rafters and sills.

1532 Dock - a structure extending into the water for the purpose of docking a boat or swimming which extends no further than twenty (20) feet from the reference line and is no greater than four (4) feet wide.

1533 Apartment - one or more rooms with private bath and kitchen facility comprising an independent dwelling unit.

PROPOSED ZONING BOARD AMENDMENT BY PETITION

AUDITOR'S REPORT

Richmond, NH 03470
February 18, 1996

The Board of Selectmen
Town of Richmond
Richmond, NH 03470

I here with submit the report on the audit and examination of the Town of Richmond accounts and records for the fiscal year ended December 31, 1995. The enclosed financial statements are an integral part of this report and must be retained by the Town Clerk with other permanent town records.

SCOPE OF AUDIT

The account and records of the Board of Selectmen, Treasurer, Tax Collector and Town Clerk were carefully verified and checked.

FINANCIAL STATEMENTS

1. The Statement of Appropriations and Expenditures show a net unexpended balance of appropriations amounting to \$ 25,135.70. In 1994, there were \$ 32,437.76 in unexpended balances.
2. The Statement of Estimated and Actual Revenue shows a net revenue deficit of \$ 115,945.10. In 1994, the net revenue deficit amounted to \$ 51,099.68.
3. The Budget Summary indicates a net budget deficit of \$ 93,959.75.
4. The accounts of the Town Treasurer, Town Clerk and Tax Collector have been summarized and tabulated.

AUDIT PROCEDURES

The accounts and records of Town Officials charged with the receipt, disbursement and custody of public funds, as indicated by the scope of the audit, were inspected and verified to the best of my knowledge and ability. All town books and accounts were examined carefully and, where necessary, test of certain records were made as part of the audit.

CERTIFICATION OF AUDIT

I hereby certify that I have examined and audited the accounts and records of the Town of Richmond, New Hampshire, for the fiscal year ended December 31, 1995. In my opinion, the attached statements represent the financial position of the Town of Richmond for this period.

APPRECIATION

I sincerely thank the Town Clerk, Tax Collector, Town Treasurer, Selectmen and their Secretary for their kind help and cooperation during the examination of their books and records.

Respectfully submitted,

Loreal R. Condon
Town Auditor
Richmond, New Hampshire

Selectmen's Report

Year ending 1995

This past year was not particularly eventful. The spring was not as muddy as some in the past. That helped the grading of the roads. We had a very dry summer so even black flies and mosquitos were down.

Lee Robbins retired as Fire Chief and was replaced by Herbert (Buzz) Shaw. Bud Jacobson is the new deputy. This was David's last year as Selectman and also Ed's first. Bonnie retired as secretary to take a job in Chesterfield. We were lucky get Lynn Davis to take her place. David has offered to stay on as our representative to the Landfill. The Selectboard is particularly grateful to Lori Condon for her continuing work as town auditor, we are fortunate to have such a qualified person.

The Town joined the NH Public Deposit Investment Pool. This should significantly increase our interest income.

Thanks to Marie Knowlton we won third place in the NH Municipal Association Town Report contest. This year with her help, we expect to win first.

Ed Campbell would like to request volunteers for various offices in town.

Respectively submitted,

Dana A Taylor, Chairperson

TOWN CLERK'S REPORT

Revenue collected this year in the Town Clerk's office increased around \$6,000 over last year. Almost all of this was due to vehicle registrations. Ninety-one percent of the people chose to do the state portion of the registrations in town. 34 more dogs were licensed this year than last.

Changes in state laws and upgrades in the computer program finally caused us to outgrow our original computer. In December we had to purchase a new one to handle all our transactions. The transition was made smoothly, and we are now much quicker in processing registrations and dog licenses.

We have also become automated in issuing vital records of marriages and deaths. From the state we received computer, monitor, printer, table and program - all absolutely free. This, too, is a great time saver for us.

All this time saved, however, seems to be spent in learning all the changes that have occurred in state laws that affect us. Numerous changes have been made in dog licensing, motor vehicles, vital records and elections. Keeping abreast is challenging, but that's what makes town clerking interesting.

Respectfully submitted,

Pamela Goodell
Town Clerk

REPORT OF THE RICHMOND FIRE DEPARTMENT

The Richmond Volunteer Fire Department wishes to thank everyone for making 1995 a fire safe year! Considering the very dry summer/fall we experienced I don't see how we can top the record of **ZERO** brush fires in 1995! As many of you noticed, most of the fire ponds in town were nearly dry by August. We intend to work specifically on our water supply system as a top priority project during 1996. We know we cannot stop the ponds from drying up during a severe drought but we intend to develop some other sources, adding more resources.

Emergency communications now has 911 telephone service operational in New Hampshire. This happened in early July and with a few growing pains has been functioning nicely. The emergency number we have used for years

352-1100 is still operational and will be for some time as it serves a large portion of southern Vermont.

We again would like to remind you that a plainly visible house number is essential to helping any emergency service find you quickly when you need us.

The record for 1995 shows your fire department responding to 55 calls, seven of these were to assist neighboring towns. We responded to:

- 0 Brush fires
- 4 Chimney fires
- 4 Mutual Aid calls
- 3 Mutual Aid cover (station) assignments
- 8 Motor Vehicle accidents
- 8 Miscellaneous calls
- 27 Rescue calls
- 1 Structure Fire

This year over 955 personnel hours were expended in direct emergency service. This equates to a payroll of over \$7,900 (\$8/hr) for just these service hours. We are pleased to contribute these hours to Richmond and use our precious tax dollars for equipment and operational costs. Your fire department is always looking for more members. If you would like to join us please get in touch! We look forward to serving you in 1996 and hope that it is at the Richmond Day barbecue and not during an emergency.

My sincere thanks to the entire Richmond Fire and Rescue Companies and their families for all their work and sacrifice in making our town a better, safer place to live.

Respectfully Submitted,
H.B. Shaw III, Chief

STATE FOREST RANGER

Violations of RSA 224:27 II, the fire permit law and the other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to \$2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

To aid your Forest Fire Warden, Fire Department and State Forest Fire Officials, contact your local Warden or Fire Department to find out if a permit is required. This also helps unnecessary response to a controlled burn.

1995 Fire Statistics

Forest Ranger Reported Fires

Number of Fires for Cost Share Payment 465

Local communities and the State share the cost of suppression on a 40/50 basis. The State of New Hampshire operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection and reports from citizens aid the quick response from the local fire departments.

REPORT OF THE POLICE DEPARTMENT

This years activity continues to follow along last years activities. Domestic problems, juvenile cases and burglaries top the list.

One of the most serious cases of burglary involved two young subjects from St. Johnsbury Vermont. They arrived in Richmond via a stolen vehicle from a dealership in Vermont. They managed to get stuck on the power lines on Taylor Hill Rd. and proceeded to burglarize and vandalize some homes on the Bullock Rd. When they finished they stole a motor vehicle from a resident on the Bullock Rd and tried to make good their escape. This vehicle would not stay running so they abandoned it on the side of the road. Officer Van Brocklin, responded to a complaint from a returning home owner that was vandalized, observed these two youths leaving the scene of the stolen vehicle. The two with much younger legs than officer Van Brocklin managed to flee into the nearby woods. Quick acting Van Brocklin called for assistance and got it from officers Glen Beaman, Lisa Benoit and the State Police. The two youths managed to elude the police and a police canine unit for some time through the woods of Richmond. Now comes the best part. An alert resident on the Fish Hatchery Rd observed two suspicious looking subjects walking through her back yard. She wisely called mutual aid dispatch center in Keene who summoned the tired but persistent pursuing police officers and the rest is history. Yes the two youths, one 16 and the other 19 years of age were apprehended.

Now I left out an awful lot of this incident and made a long story very short to make a point or two. Some of you may be thinking, Oh Yea, there goes the chief blowing his horn, well yes and why not? It was an outstanding job performed by your police officers and the state police and it deserves a toot or two. The real point I would like to make is what I have been preaching for years in these reports and this deserves the loudest blast on the horn. If it were not for the observation of the resident that called in the suspicious activity in her neighborhood, I believe we may not have apprehended these two subjects.

Report any and all suspicious activity. You have just proven that you can help your local police take a bite out of crime. In case of any "Emergency" call 911. I am sure by now everyone is aware of 911. It has been well publicized. But remember this is for an emergency. You may still call the Southwest Mutual Aid dispatch center in Keene at 352-1100 as our neighbor on the Fish Hatchery Rd did to help us in the above case. The 911 system is great for its purpose to speed up assistance in an emergency and identify the caller's address but it is only for emergencies and the 911 operator is likely not to be familiar with the town of Richmond. On the other hand, the friendly and knowledgeable dispatchers at the Keene dispatch center do know Richmond and the Cheshire County area very well and of course can handle any emergency as they have been doing for years. They are still there on the job and I hope for many more years.

RICHMOND CONSERVATION COMMISSION

Annual Report 1995 Calendar Year

In March the Commission welcomed its newest member, Jon Hill. Jon is taking the position vacated by Joe Calabro and the Commission expects him to be a worthy successor.

Every year the Commission, under the auspices of the Harry J. Bennett Memorial Fund, offers a full tuition scholarship to the Society for the Protection of New Hampshire Forests' Community Conservation Camp. Once again the Commission asks for applicants. Formerly called the Youth Conservation Camp, this summer learning / recreation experience is now limited to twenty-five students, statewide, and generally runs the last week in June.

This year, applicants must be enrolled in grades 10 through 12 (including graduating seniors) and must submit a one-page essay on the topic "What I Hope to Gain From the Community Conservation Camp Experience, and Why I Would be an Asset to the Group." The applying student must also be recommended by a teacher or a member of the Conservation Commission. Anyone interested is asked to contact Jeff Taylor (239-4005) or Pete Tandy (239-6024). Registration must be made by May 15th, so contact should be made with the Commission before May First. Sponsorship for other conservation-related learning experiences may also be available.

Unfortunately, the heirs of the Lyman O. Cass estate have been unable to reach a consensus as to acceptance of the proposed conservation easement for the great blue heron rookery adjacent to the Town Forest. The Commission has gone to considerable time and expense in setting up this protection and hopes the heirs will be able to reach agreement in the near future.

On a more positive note, the Commission has undertaken a major project, which will be conducted at no cost to the Town: To make an inventory of, and management plan for, all Town Forest property.

In the Fall of 1995 the Commission called for bids from Consulting Foresters to (1) Establish and mark the boundaries of all Town Forest properties and, (2) To develop a plan for the management of the Town's forest lands that would take into consideration a full range of values, including timber production, wild-life regeneration, public education, and esthetic values.

After considerable deliberation, the Commission has been pleased to award the contract to forester Wayne L. Young, of West Swanzey. At the completion of Mr. Young's work the Town will have a precise inventory of its forest properties, with boundaries clearly marked, and with specific recommendations for the integrated management of our collective inheritance. The Commission looks forward to working with Mr. Young throughout the year.

Lastly, the Commission notes its enthusiastic affiliation with the Monadnock Conservancy. The Monadnock Conservancy was incorporated in 1990 as a re-

gional land trust. The Trust is a non-profit regional land trust whose purpose is to preserve and protect those properties in the Monadnock Region which have significant aesthetic qualities, natural attributes, environmental value, or historical character.

The Conservancy may accept or buy conservation easements from land-owners. It may also acquire land by gift, bequest or purchase, and either hold it forever as undeveloped land, or convey it, subject to appropriate conservation restrictions. The Conservancy works in close partnership with The Society for the Protection of New Hampshire Forests, the New England Forestry Foundation, Friends of the Wapack, The Harris Center for Conservation Education, local town Conservation Commissions, and similar groups.

The mission of the Monadnock Conservancy may be summarized in three primary goals:

1. To identify and actively seek protection of significant natural and historic resources in the Monadnock region;
2. To help landowners find the best way to achieve their individual conservation objectives;
3. To monitor and enforce the protection of lands held in the Conservancy's trust.

If you would like to have your dreams and wishes for your property passed on to future generations, please contact The Monadnock Conservancy, P. O. Box 1035, Dublin, NH 03444.

If you have any questions about the Monadnock Conservancy, or about your Conservation Commission's work within the Town, please contact the Secretary, at 239-6024.

RICHMOND RECREATION COMMITTEE REPORT 1995

The Recreation Committee once again began 1995 with the annual Easter Egg Hunt. The day was cold and somewhat gray, but the children had a lot of fun finding the Easter Eggs hidden throughout the area around the pavilion. Each child received an Easter basket filled with toys and candy in addition to the Easter Eggs that were found during the hunt.

Graduation for Richmond Seniors was celebrated by a few graduates and their families at a potluck supper at the Veterans Hall. The Recreation committee provided drinks, a beautiful graduation cake and gift certificates to the graduates. Graduation is such a busy time in the Monadnock Region that it was hard to set a date that most graduates could attend. The Committee may try to have this celebration early in 1996 in the hopes that more graduates will be able to attend.

Summer began with Red Cross swimming lessons at Camp Takoda. Swimming lessons are provided free of charge to all children of town residents. Children as young as four and as old as fifteen attended lessons. All levels of instruction were offered from beginners through advanced. Lessons were given three days a week for three days. Children who attend all of the swimming sessions get the most out of the lessons and many return every year to further advance their swimming skills. I have had the personal experience of seeing many children learn to swim better each year due to these wonderful swimming lessons.

Summer Day Camp was offered during the last week of July for a full 5 day week. Camp was held at the Town Pavilion and was coordinated by a Director who was supported by volunteers, counselors and specialists. This was the second year that camp was offered free of charge to all town residents. The camp was also offered to children who ranged in age from two to twelve. Parents were encouraged to bring their younger children if they were able to chaperone them during camp activities. Camp activities included daily arts and crafts projects, games and water play. Special presentations included a visit from the Richmond Fire Department, a class with Judith Graves of Lambs and Thyme, outdoor science presentations, a class on animal maintenance and care given by RoseAnn Amato. Children performed in a talent show for parents on Family Night. Family Night was a potluck supper attended by parents and day camp participants.

Summer ended with Richmond Days on Labor Day weekend. the Recreation Committee helped to organize the town parade. Town residents were encouraged to participate by preparing a float and a group of young adults dressed up as clowns and gave out candy and small flags to children along the parade's path. During the annual chicken barbecue, the Recreation Committee offered games and prizes for children. The emphasis this year was on fun for the children. Every child who played a game won a prize and many came back to play again and again. Games included a penny toss into goblets, fishing and lollipop lottery and bowling. All of the money raised was donated to the Richmond Library.

The annual Halloween party was held at the pavilion on Sunday, October 29th and was well attended. A large bonfire was set with the help of some of our volunteer firemen. Adults and children participated in the costume contest. Winners received small gifts. Children ate donuts from string, played with piñatas, painted pumpkins, decorated balloons and went on a spook walk. Refreshments were served throughout the night and when the evening was all over a few volunteers stayed to help clean-up though most everything had already been eaten up!

Thank you to everyone who volunteered and helped to make 1995 an exciting and enjoyable year for the Recreation Committee. We are sorry to have had to accept the resignation of Gail Hummel this year. Her contributions to the Recreation Committee will be missed.

Rose Ann Amato	Delores Keene

ROAD AGENT'S REPORT

This year, mud season came in January. February saw ice filling up the ditches and spreading out on to the roadways. March brought warmer temperatures, and pot holes, April brought wind storms which downed trees and beavers.

April 19th started grading roads, earliest within memory, all roads were graded by the time black flies hit town.

Sandy Pond Road and Mill Road were shimed with asphalt and sealed, along with cleaning the ditches, culverts and turn outs.

Scott Mt Road at the far end was widened to make better access to turn around for the plow and sand trucks.

Work on the Whipple Hill Bridge continued and nearing completion, will now carry any legal load.

3000 cubic yards of gravel was crushed at Ed Martins pit. Calcium chloride was used for dust control through out the dry summer.

The contract for winter maintenance was awarded to Dan Firmin for the 95-96 winter season.

Leonard Davis, Road Agent

1995 RICHMOND ARCHIVES REPORT

1995 was a busy year for the Richmond Archive. The task of painting the walls was a labor intensive one due to moving all of the shelving and materials. The previous paint job was eighteen years ago. An adjacent storage room was also converted into archive space. Additional metal shelving was purchased. Many thanks to volunteers Lynn Davis and Sandy Laughner for their long hours of help in painting and moving materials. In 1996 more re-organization is planned. Visits were a bit curtailed during the painting and moving process. Inquiries by phone and mail were carried out. All written requests are on file along with a copy of the answers for each request. These extensive files are kept by the archivist to maintain further requests, share with others information already gathered, and to preserve a record of work done. For an appointment to visit please call 239-4598. Visits can be planned Tuesday thru Friday 9 A.M. until noon. The Archive is under the guardianship of the Richmond Public Library Trustees (per Town Meeting 1978).

Position of Archivist and assistant are voluntary. Anyone interested in preservation work and training to work please call the Richmond Public Library Trustees. State, University and Historical Societies sponsor courses during the year in training for preservation work. A warm welcome to Sandy Laughner as new assistant archivist.

LIBRARIAN'S REPORT

Annual update from the Richmond Public Library...

It's been another great year for our library. We've added 30 people to our regular roster of "borrowers": 18 adults and 12 children/juniors. The library collection has increased by 527 books, 23 videos and 2 CD discs. Our new set of Encyclopedia Britannica is on the shelf. In addition to new children's books and adult reading material, we added to our junior fiction, non-fiction and general reference books. . Installation of six new bulletin boards makes it easier to post information useful to library users and to call attention to new materials and services. More shelving and reorganization was done throughout '95.

Our access to Keene State College and Keene Public Library card catalogs (among others) via our computer and new modem has proven successful. Utilizing the State Library services via the fax machine has also been beneficial to our patrons.

Thanks to the sponsorship of the Friends of the Library, 57 children participated in the summer reading program.

We are a small town library, but not limited to what we can offer the citizens of Richmond. Many, many people are responsible for making this possible: through town appropriations, private donations of individuals and various civic organizations, Friends of the Library, and proceeds from book sales of local authors. The list doesn't stop there. We want to thank those who have donated their time and services. We have people behind the scenes providing a variety of services for our Library. To all of you who have made such valuable contributions toward improving our library and to all our patrons, we "thank you" for your continued support.

Included on that special list is Peg Bartram. We "thank you" Peg for your many, many years of devotion to the Richmond Library. Your years of service as a Trustee are many; your personal contributions can't be measured. You (and Stan) provided us with strong leadership and support for which we are forever grateful. Thanks, Peg, and best wishes in your new home away from home.

To our regular patrons, we enjoy seeing you. If you haven't been in lately, stop in. Let us know what you need. If we don't have it, we'll get it for you. If we don't have a service you would like to see us offer, let us know. We are open Tuesdays and Saturdays, and you can contact Dianne by calling 239-6164. We hope to see you real soon.
